## Brief Description of the Event

The Nasscom Demo Day Pitch Session was held on January 20, 2023. The event brought together selected startups for a 10-minute pitch presentation, followed by a lunch break and an opportunity for attendees to engage in investor circle discussions and networking.

The event was a platform for startups to showcase their ideas and innovations, and for investors to discover new investment opportunities. The structured format of the event allowed for efficient and effective information exchange, leading to potential investment opportunities and business partnerships.
